Basis: representative survey from Porsche Consulting of 1,000 people in Germany carried out April 24—27, 2017. The management consultancy commissioned Forsa to interview individuals chosen by systematic random selection.

WOULD YOU ALLOW A ROBOT TO OPERATE ON YOU?

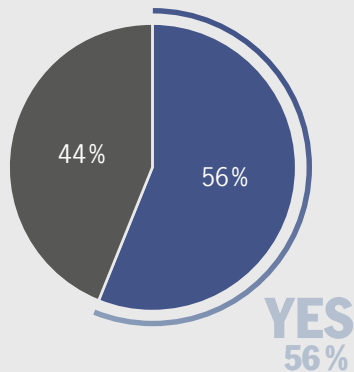

- Yes, no problem.
- Yes, if the robot operation has a lower risk.
- No. I want to be operated on by a surgeon, not a machine.
